

Career Presentation

Project Must Be Completed By: _____

Objective: To create a PowerPoint Presentation about the career of your choice.

*Your idea must be approved by your teacher.

Directions: Use the attached rubric to create an original PowerPoint presentation about your chosen career. The following information **MUST** be included in your presentation:

- 🌐 History (how, when and where did the job originate?)
- 🌐 Job Description/Responsibilities
- 🌐 Salary range
- 🌐 Opportunities for advancement (promotions)
- 🌐 Working Conditions
- 🌐 Educational Requirements (including degrees or certifications needed and the best colleges for this)
- 🌐 Characteristics needed in an employee (like the ability to work with a team or leadership skills)
- 🌐 Other careers that are related

*There will be time for open questions (from your teacher or classmates) afterward so you need to prepare yourself to become an “expert” in the career you choose

Please be sure to follow the grading rubric!

Don't forget the Rule of 7's and to SLOW DOWN!
